MUSTAFA EMRE DIKICI

dikicimustafaemre@gmail.com | 0(505) 064 6048 | İstanbul, Bayrampaşa

Summary

As a Computer Science graduate, I possess a robust foundation in programming, **web development,** and **database management.** Proficient in languages such as Python, Java, and JavaScript, I skillfully leverage modern web technologies. Demonstrating success in problem-solving and analytical thinking, I have made impactful contributions to diverse projects. With advanced communication skills, proven teamwork, and project management abilities, I am fluent in English and committed to continuous learning and innovation.

I have a basic proficiency in German and bring experience in **backend development.** My interest lies in database management, and I have crafted **mobile applications** using **Flutter** for a duration. As a seasoned professional with a dynamic background in various projects, I am actively seeking opportunities to enhance my technical skills and contribute to new ventures.

Experience

Barış Şahinyılmaz Hukuk Bürosu | İstanbul
Front-End Web Developer
11/2023 - 05/2024

In my web design project tailored exclusively for Barış Şahinyılmaz Law Office, I took the following crucial steps:
- I crafted a modern and interactive design using **HTML, CSS,** and **JavaScript** technologies.
- Carefully selected visual and content elements to highlight the legal services offered by the firm.
- Ensured seamless functionality on mobile devices and different browsers through a responsive design.
- Aimed to provide visitors with an effective and pleasant experience by creating a user-friendly interface.

The Vegatation | İstanbul
Front-End Web Developer
02/2023 - 04/2023

I enhanced The Vegetation company's digital presence by developing a website using WordPress. Within the scope of the project:
- I designed a **user-friendly** layout tailored to the company's needs.
- Utilizing the WordPress platform, I developed a website effectively showcasing the company's products and services.
- Ensured mobile responsiveness and browser compatibility, expanding access to a wide user base.
- Enhanced online visibility through the implementation of **SEO techniques** for the website.

Çengel İstanbul Cafe | Üsküdar, İstanbul
Social Media Manager
08/2022 - 01/2023

- With my experience in social media management and content creation, I strengthened the digital presence of Çengel Istanbul Cafe. My responsibilities included crafting effective social media strategies for the cafe, managing accounts, and curating content for sharing. Simultaneously, I contributed to the growth of the business by introducing creative ideas and novel concepts to expand the cafe's reach to a broader audience. Particularly, by ensuring diversity and eye-catching elements in posts and Reels videos, I garnered **positive interactions and engagement** for the cafe on social media. The achievements during this process further enhanced my skills in **communication**, **marketing**, and brand awareness.
